### Review the Retreat

At the end of this Retreat, take some time to look back over this short period you've spent with God. You may want to ask for the grace that this time of prayer won't get lost in your everyday life. What did you want from the Retreat? Did you receive it? What word from Scripture of the reflection touch you the most? Where did you experience challenge? Or difficulty? Or resistance? Where did you feel a moment of inspiration? Did you feel there was a moment of inspiration? As you end this retreat now, speak to Mary directly. Ask her for her prayers, for the help you need to carry God's word into your daily life. Ask Mary to enable you to see the 'great things' God offers you, the 'great things' he is doing in your life. Our Lady of the Journey, show me the way to reach the Father, at the side of your Son. Hail Mary... Amen.
